

2. St. Ann's College of DSE (MR), Gopavaram

2.1 Introduction:-

With the vast experience we had in the field of Special Education and by experiencing the dire need of having more Special Educators, we are inspired to have the Diploma course in Special Education (MR). Through this programme on one hand every year 30 youth can get training and can get a job. On the other hand, as there are very few Special Educators, we can provide more Special Educators in order to impart more qualitative services to the Special Children.
